

INSOLSM AW

A UNIQUE **WAX INHIBITOR**
FOR OILS CONTAINING ASPHALTENES
BASED ON REAL SCIENCE

**InSol Performance as Wax Inhibitor
Wax Cloud Point Suppression
East European Stock Tank Oil**

Why do we claim that **InSolSM** is a premium **wax inhibitor** designed especially for oils containing asphaltenes?

InSolSM is the result of a thorough, **scientific investigation** on the interactions of asphaltenes and waxes with natural crude oil inhibitors. InSol is the result of a true **scientific breakthrough**.
