

TECHNICAL DATA SHEET
April 1, 2011

DSC GOLD VIS
Cement Spacer Additive

Outstanding Characteristics:

It is an ideal polymer/surfactant system for enhancing viscosity of solvents.

Description:

DSC Gold Vis is a highly effective special propriety polymer/surfactant system for use in thickening **DSC Gold Flush CM/DSC Gold Flush** for density control during the cementing and displacement operations of synthetic based mud.

For a specific **DSC Gold Vis** recommendation, technical and application information is available to help provide the recommended amount of **DSC Gold Vis** for your downhole cleaning needs. Please call a DSC Customer Service Representative at 1-800-737-3546.

Shipping and Handling Instructions:

DSC Gold Vis is shipped in 5 gallon, 55 gallon drums, 350 gallon and 550 gallon stainless steel tote tanks. A Material Safety Data Sheet outlining recommended safe handling of **DSC Gold Vis** is available upon request.
